Vineyards

The Lachini Family believes that the vineyard is the wine. Our goal remains to nurture our 45-acre vineyard's distinctive terroir and produce world class Pinot Noirs of prodigious quality for generations to come. Our emphasis is on the meticulous management of each vine through biodynamic farming, while combining state of the art winemaking and old world technique to handcraft wines of complexity, grace and profoundness - each one, we believe, a reflection of it's soul and unique place.
