"Lachini Vineyards is arguably one of Oregon's hottest, young wineries since their first release of the 2001 vintage! Their quest to share the stage with those of the Burgundian Holy Grail is not unique; yet their expression of terroir and meticulous attention to detail have yielded prodigious wines in only a few short years."

The Lachini Family believes that the vineyard is the wine. Our goal remains to nurture our 45-acre vineyard's distinctive terroir and produce world class Pinot Noirs of prodigious quality for generations to come. Our emphasis is on the meticulous management of each vine through biodynamic farming, while combining state of the art winemaking and old world technique to handcraft wines of complexity, grace and profoundness - each one, we believe, a reflection of it's soul and unique place .

Lachini Vineyards began producing limited, ultra-premium, single vineyard Pinot Noirs with the 2001 vintage. A yearning for the old world and a passion for Pinot Noir led Ron and Marianne Lachini to Oregon in 1997; a patient pursuit to produce world-class Pinot Noir and establish a way of life for future generations. Lachini Vineyards embraces the time-honored principles of uncompromising desire for quality and long-term stewardship of the lands from which they harvest. Their commitment begins as growers of world-class grapes with a desire to have these turn into exquisite wines that bear measurement against the test of time and other leading wines of the world.

The LV Estate Vineyard is located on the backdrop of the Chehalem Mountain in the North Willamette Valley. The vineyard rises from 250-450 feet with south & southwest exposures and is comprised of three distinct blocks identified by varying soil depths, type and grape clones - East (Pommard), Upper & Lower Middle (Dijon) and West (La Tache, Wädenswil, 777).

We invite you to discover why Lachini Vineyards wines have received placement in many of the top restaurants and exclusive clubs throughout the US as well as continue to garner national acclaim in their short history. We offer our wines for your pleasure and welcome your comments.
