

LACHINI

Vineyards

Just thirty minutes from Portland, the Villa at Lachini Estate Vineyard is your private wine-country retreat. Set above the vines with sweeping, 360-degree views, the and surrounding grounds welcome everything from board retreats to celebrations. Think alfresco dinners curated with our chef, elegant receptions on the upper and lower terraces, or gatherings in the cellar, barn, and scenic pockets throughout the property. Packages are fully customizable, pairing our premium Estate wines with thoughtful service so you can focus on your guests while we handle the details.

We can accommodate up to 200 guests when utilizing both the indoor great room and outdoor terraces, and in winter we can comfortably host 100 inside. Amenities include a PA system, Sonos music system, and a smart TV for presentations. A full exclusive buyout of the venue is available for those seeking complete privacy.
